### CONSULTATION JUDGING

The Fair Board has stated that the 4-Her must be present at the time of judging. If they are unable to be there, they will be dropped one ribbon placing.

The 4-Her will learn so much more when they interact with the judges. The judges are able to make constructive suggestions which they may not have time to write out.

Proper etiquette for consultation judging is the 4-Her interacting with the judge while the parent remains quietly behind the 4-Her.

\*\*\* (Help your child grow - let them do the interaction.)
